# MANITOBA INTERNATIONAL STUDENT HEALTH PLAN (MISHP)

Dear member,

Welcome to MISHP! This plan provides coverage to international students and their dependants for medical services.

Attached you will find your coverage card. Your card includes a Client Number that is specific to your plan, a Certificate Number that is unique to you as the cardholder, and a Medical Coverage Identification (MCI) Number that is unique for each individual listed on the card. This means that if you have a spouse or dependant(s) covered under your plan, they will also be listed on the card with their own assigned MCI Numbers.

Please present your coverage card, along with a piece of valid photo identification (e.g. student ID card, driver's license), when seeking care from a health and medical provider (e.g. doctor, optometrist, pharmacist, etc.). Providers who are set up for direct billing will not charge you for eligible services. However, if you are charged for services, please submit a claim to Manitoba Blue Cross and you will be reimbursed for eligible expenses.

If you currently have provincial health coverage, you must notify Studentcare immediately at 204.788.6800.

For complete coverage details, information on how to claim, claim forms (if necessary), and a list of local clinics, please visit [mishp.ca](http://mishp.ca). For any additional inquiries, please call 204.788.6800.

Detach this section and use this card in conjunction with your Photo ID card to claim for medical expenses covered by your plan.
